

'Tis The Season of Saving

You have wants. You have needs. And you have two ways of paying for them - pull out the credit card or use the money you have set aside. How do you save for your holiday shopping when you have existing bills?

Set a Goal:

- Specific: describe your goals and all its details
- Quantitative: know how much you need to save
- Process: break it down into reasonable action
- Realistic: is this an achievable goal?

Put it Somewhere:

- Savings Account
- Money Market Account
- Money Market Fund
- Certificates of Deposit (CD)

Even without setting a specific goal in mind, you can still start to save immediately; utilizing a savings account is a good habit to get into as it will put your mind at ease. Even if you are in debt, you can still set a little aside each month. Knowing you have money set aside can aid in those emergency situations, so you won't have to touch your credit card and feel you are falling farther behind.

Team HOPE, Oyster Fest & Out of the Darkness Walk

October was a very fun and successful month for Nassau Financial and members of our community! In support of Breast Cancer Awareness Month, we participated in the Making Strides Walk at Jones Beach. We raised just over \$1,678! Nassau Financial also attended the Oyster Festival in Oyster Bay in October. Our table was filled with fun and exciting giveaways and we were more than happy to meet our new and existing Members. We had an awesome time while our friends and families got a chance to spin our Prize Wheel and enter into our VISA Gift Card Raffle!

Out of the Darkness Community Walk

Walking to raise awareness. We strive to be involved in our community, which is why we are taking part in this years Out of the Darkness Community Walk to raise awareness and funds that allow the American Foundation for Suicide Prevention (AFSP) to invest, create, advocate and support. While we had tons of fun, we also enjoyed coming together with Members of the community to support such an important cause.
